FINAL FAREWELL FOR HUM3

On Friday, February 11th, it was announced that HUM3 would be closing its doors permanently as of June 30, 2022. Unfortunately, we are There were a lot of emotions felt as many of our scholars & staff considers HUM3 their home away from home.

SCHOOL SPIRIT

One thing you can always count on is for the HUM3 Family to show that HUM3 School Spirit. Everywhere you looked, there were scholars dressed alike for “Twin Day”. It allowed our scholars to have a day of freedom from their uniforms and for them to get creative with their friends and peers.

LEAVING A LEGACY

Our focus for the rest of the school year is to ensure that our scholars and staff have a positive experience as the school comes to a close. We plan to hold workshops & trainings for staff as well as trips, events & activities for our scholars.

THE HUM III EXPERIENCE

“It is only in our darkest hour that we may discover the true strength of the brilliant light within ourselves that can never, ever, be dimmed.” - Doe Zantamata. There is a light that shines bright in each and every one of us and our students. During this time we must remember no one can ever dim that light and should constantly seek the light out in others. We have everything we need to solidify the HUM III legacy and the work begins now.
