We are the largest charter high school network in New York City. Our eight Advanced Math & Science and Humanities high schools, located in The Bronx, Brooklyn, and Queens, serve more than 3,500 students.

Visit our Bronx schools during an open house or schedule a tour to find the right fit for you.

Advanced Math & Science
New Vision Charter High Schools
99 Terrace View Avenue
Bronx, NY 10455

Humanities II
New Vision Charter High Schools
